Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This Travel Size is perfect for your purse or pocket. It is done in the Pen and Ink style so you still get that great dimension. Please refer to Vol.3, Pen and Ink, to see more details as the size for this cover does not allow space for all 3 images on the back. All art work is 100 original and created by R.S. Rodella. In this edition you will find many coloring options and designs. You can use colored pencils and gel pens that will not bleed, or choose another option and place a blotter page underneath. There is a test pages in the back to check your colors and bleeds. The pages are NOT PERFORATED but they are printed on one side with plenty of room to cut and frame. All four cover images are included in this edition. To see more coloring pages click the Amazon s R.S. Rodella Page link above my picture. Which version should I order? What are the differences? Grayscale: For advanced colorists. The tones of a grayscale image allow you to blend colors together. The light and dark colors serve to give it depth and dimension. You end up getting a deeper perspective. When you blend the colors they look almost surreal. This version works very well with colored pencils as they are easiest to blend. If you use gel pens, you have many options as far as color and highlights are concerned. Pen Ink: For intermediate colorists. With pen and ink you have the depth of the grayscale but cleaner fill lines and a white background. You still get a very nice dimensional effect as you still have a degree...
