Fundamentals of Music, Books a la Carte Edition

By Earl Henry, Associate Professor of Music Theory and Director of Graduate Studies Jennifer Snodgrass, Susan Piagentini

Pearson, United States, 2012. Loose-leaf. Book Condition: New. 6th. 277 x 213 mm. Language: English . Brand New Book. Mastering Fundamentals in a Musical Context Fundamentals of Music provides a clear and comprehensive approach to mastering the language of music. The authors invite students to create composition projects, develop aural skills through listening exercises, and analyze musical examples from various styles and genres. With two new authors, this text has been thoroughly revised and expanded, yet maintains the intent of its original author Earl Henry. The optional MySearchLab with eText powered by Exposition Music provides opportunities for students to practice their skills and receive immediate feedback. Each chapter has a pretest, post-test, and chapter review. Separate drills are included for ear training. These assessments feature more than the usual multiple-choice questions, allowing a student to drag and drop notation on a musical staff. This provides opportunities to demonstrate the mastery of concepts and reach a variety of learning styles. A better teaching and learning experience This program will provide a better teaching and learning experience for you and your students. Here s how: Personalize Learning The new MySearchLab with eText delivers proven results in helping students succeed, provides engaging experiences...

Reviews

This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
