

## Capital Views (Hardback)

Filesize: 4.55 MB

### ***Reviews***

*This pdf is indeed gripping and exciting, it was writtten quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Smithsonian Books, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. Metropolitan areas change over the time. These changes come together and create a city s character and personality. Renowned Washington, DC, historian James Goode has assembled an incredible collection of images that look back at a Washington before it developed into the international metropolitan city it is today. The impactful historic photography exposes the elements of the DC metro area that have disappeared: the dairy farms of Loudoun County, the railroad round house in Alexandria, and model boats on the Rainbow Pool on the National Mall, as well as provide startling different views of areas and neighborhoods that still exist. The majority of these images have never been published, and under the curatorial eye of James Goode have been put together in a way that give readers a better understanding of the city Washington DC was, and the city it was to become.
