

Earth Stepper/The Ocean is Very Shallow

By Seithlamo Motsapi

Deep South, South Africa, 2004. Paperback. Book Condition: New. 2nd Revised edition. 192 x 130 mm. Language: English . Brand New Book. This is a redesigned second printing of Seithlamo Motsapi's acclaimed *Earthstepper/The Ocean is Very Shallow*, first published in 1996. *** A very far cry from official New South African pietistic discourse of reconciliation, this collection brilliantly fuses pan-Africanist militancy, romantic spirituality, and scathing attack on neo-colonialism in its global and local forms. The political urgency is never compromised by empty rhetorical posturing or aesthetic banality: this is a rich, experimental poetry, raining down fresh imagery, complex conceits, carefully patterned to produce a volume of striking originality and stylistic rigour. -- Laura Chrisman, *New Coin*.

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Prof. Salvador Lynch**

It is great and fantastic. Better than never, though I am quite late in start reading this one. It's been written in an extremely simple way and is particularly only right after I finished reading this ebook where actually changed me, affect the way I really believe.
