Crown Business, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A breath of fresh air. Robert Shemin brings to this book a powerful personal story that commands attention. He was the class cut-up, the guy who never fit in exactly, an undiagnosed dyslexic who out of survival instinct simply decided to make up his own rules and, sure enough, riches followed. Shemin's key insight is that cultural indoctrination robs most of us of the courage to blaze new paths in fact, breeds a 'play it safe' follow-the-leader mentality that can be a financial death sentence. This book is loaded with perspective-altering tips on how to make money outside the rat-race paradigm and leverage the power of relationships in ways no one ever talks about. If you take to heart the lessons in this book, you will find the abundance you're searching for." Anthony Robbins, New York Times bestselling author of *Awaken the Giant Within*, *Unlimited Power* and *Giant Steps* "This book shows the average person not only how to get rich, but create, connect and contribute greatly. Open the door to a better future now by absorbing what Shemin has to say." Mark Victor Hansen, co-creator, #1 New York Times best selling series *Chicken Soup for the Soul*; co-author, *Cracking The Millionaire Code* and *The One-Minute Millionaire* "If you've spent your life doing 'all the right things' but still feel like you're running in place financially, do yourself a favor and buy this book." T. Harv Eker, author of #1 New York Times Bestseller, *Secrets of the Millionaire Mind* "Filled with common sense . . . shows that a late-blooming entrepreneur can strike it rich with sound business principles and a flair for taking risks." David Bach, #1 New York Times bestselling author of *The Automatic Millionaire* and *Start Late, Finish Rich* From the Hardcover edition.
