

Modern Cost Management and Analysis (Paperback)

By Dr. Jae K. Shim, Joel G. Siegel

Barron's Educational Series Inc., U.S., United States, 2009. Paperback. Condition: New. 3rd Revised edition. Language: English. Brand New Book. Books in Barron's Business Library Series speak to men and women who are starting a company or managing a small-to-medium-size business. Advice and instruction is geared to daily operations and finding practical solutions for typical problems. Topics discussed in this book include understanding cost concepts, job-order costing, process costing, activity-based costing (ABC), activity-based management (ABM), cost-volume and break-even analysis, budgeting, cost analysis for non-routine decisions, how to make capital budgeting decisions, performance metrics such as the balanced score card, and a variety of cost management tools, including target costing and life-cycle costing. The authors cover all important issues that relate to budgeting and affect company profitability. A helpful appendix presents tables that account for the time value of money, and a glossary gives definitions of specialized cost management terms.
