Mastering Exposure: The Definitive Guide for Photographers (Paperback)

By David Taylor

Guild of Master Craftsman Publications Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Mastering Exposure is an invaluable guide to taking better photographs using today's sophisticated digital SLR and compact digital cameras. Aimed at the more experienced amateur photographer, the author's concise text explains the fundamentals of exposure and how varying three parameters - shutter speed, aperture and ISO - can be used creatively and practically to determine correct exposure, but deliver substantially different results. Illustrated with the author's own stunning images, the book analyzes the effects of exposure on portrait, landscape, night and low-light photography, and when capturing action and sports images.

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
