

Rome Wasn't Burnt In A Day: The Real Deal On How Politicians, Bureaucrats, And Other Washington Barbarians Are Bankrupting America (Paperback)

By Joe Scarborough

HarperCollins Publishers Inc, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Who are the political barbarians bankrupting America -- Democrats or Republicans? Where are taxpayers dollars really going? Joe Scarborough gives you the inside scoop on how Washington really works and on the out-of-control deficit spending that takes place in our nation's capital each and every day. Joe Scarborough, former Republican congressman and current host of MSNBC's top-rated Scarborough Country, takes you behind the closed doors of Congress and wittily presents the reasons why Democrats and Republicans are alike when it comes to squandering taxpayer dollars. As part of the Gingrich Republican Revolution, he witnessed the principles of fiscal responsibility get buried in the political swamp of Washington. Now Scarborough offers profound solutions on how excessive government spending by politicians of all stripes can be minimized, and how the Republican Party can be called back to the principles that President Ronald Reagan made famous.
