AMERICAN CATHOLICS AND CIVIC ENGAGEMENT: A DISTINCTIVE VOICE

Rowman & Littlefield Publishers. Hardcover. Condition: New. 320 pages. Dimensions: 8.9in. x 6.1in. x 0.9in. Participants in the Commonwealth colloquia and the joint meetings leading Catholic scholars, journalists, lawyers, business and labor leaders, novelists and poets, church administrators and lobbyists, activists, policy makers and politicians produced approximately forty-five essays presented at ten meetings that brought together over two hundred and fifty participants. The two volumes in the American Catholics in the Public Square Series address many of the most critical issues now facing the Catholic Church in the United States by drawing from the four goals of the colloquia-to identify, assess, and critique the distinctive elements in Catholicism's approach to civic life; to generate concrete analyses and recommendations for strengthening Catholic civic engagement; to encompass a broad spectrum of political and social views of Catholics to encourage dialogue between Catholic leaders, religious and secular media, and political thinkers; to reexamine the long-standing Catholic belief in the obligation to promote the common good and to clarify how Catholics may work better with those holding other religious or philosophical convictions toward revitalizing both the religious environment and civic participation in the American republic. This first volume, American Catholics and Civic...
