Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. John Farrell originally published this book in 1986 to celebrate the 150 year Texas Anniversary. In 2011, this new book, The Return Of How To Talk Texan was released and is now published by Createspace. John, referred to as Crazy John is noted for his hilarious faces. This is not a book you read, but one you look at and smile or in some cases die laughing about. The Texun slang that you see here is the way that many Texans used to speak, and many still do. The original book was banned by English teachers everywhere and may contain words you ain t familiar with, but rest assured all older Texans know about these words and in fact use many everyday. Hoping you enjoy this book and laugh a lot.
