Social bonding among women boosts oxytocin levels, a natural hormone that combats stress, anxiety and depression. Even a couple of hours spent with friends can provide emotional nourishment, reducing your stress and lifting your spirits. As a result, you ll return home a happier, more effective parent with increased energy and enthusiasm. If you feel alone and isolated, Confidently Connected will gently guide you back out into the world. You ll learn how to breathe new life into your network and regain your footing with a sense of purpose and support.
