Bantam Doubleday Dell Publishing Group Inc. Paperback / softback. Book Condition: new. BRAND NEW, Da Vinci Decoded: Discovering the Spiritual Secrets of Leonardo's Seven Principles, Michael J Gelb, Author Michael Gelb ignited the current fascination with all things Da Vinci with his runaway bestseller, *How to Think like Leonardo da Vinci: Seven Steps to Genius Every Day*. Just as that book showed readers how to use the seven Da Vincian principles to develop their creative potential, his new book, *Da Vinci Decoded*, will help you use the same principles to cultivate your spiritual potential. Wonder. Appreciation. Awareness. Wholeness. In the Western world of the fifteenth century, these personal qualities were all boldly embodied in one extraordinary man. From art to botany, anatomy to mechanics, Da Vinci was a profoundly original thinker fully in tune with the world of man and nature, and with the divine spirit that bridges the two. In this bold new guide to awakening the soul, Michael Gelb draws on Leonardo's writings, inventions, and works of art to show how you, too, can practice the seven essential principles by which Leonardo lived and worked: Filled with practical exercises that will help you put each of the seven principles into use, a series of reflective questions designed for self-assessment, and inspirational sayings drawn from the world's great wisdom traditions, *Da Vinci Decoded* offers a wide range of tools to use in your spiritual quest. Now you can let Leonardo and this book be your personal guides to creating your own personal spiritual renaissance today. "From the Hardcover edition."
