Space Battleship Yamato Evangelion EVA and called for three climax of the history of Japanese animation classic. In animation, comics, games, toys and other significant achievements, popular, and even university professors, critics have it as a subject of study. Gundam audience is no longer confined to young people, but the face of the whole community. Its view of the world, the spirit of thinking reflects the shadow of society from a different perspective, and thought-provoking. As in stickers affixed to the number of billions of dollars, animation watch God as series episode almost a hundred thousand, model sales far exceeding other merchandise Gundam latest adaptation of the comic for overseas power granted to Chinese authors for the first time, not only for China The cartoonist strength certainly, but also the Chinese market repercussions Gundam related products enthusiastic reflect. By diehard fans of the Gundam served as a writer, as a post-processing by China's most famous comic studio team. Gundam the essence of the work through the fine screen again communicated to many fans. Serialized back of the body fighting scenes is Japan the editorial department praised endless, immediately determine the Japanese magazine! The first contains the value...
