Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Thesaurus of English Words: So Classified and Arranged as to Facilitate the Expression of Ideas and Assist in Literary Composition The Thesaurus of Roget is justly held in high estimation both in England and in America. Though it is the first work of its kind that has appeared in the history of our language, the completeness of its plan, and its fulness of details, are such as to leave little to be supplied by others. The book may, in fact, be advantageously taken up by the student of English composition as an ample vocabulary furnished for his special use. The body of our noble language is, in this invaluable manual, anatomized, as it were, and distributed, not under any merely philological arrangement, connected with the mechanism and structure of language, but classified by the wants of the mind with reference to the purposes of expression, and the actual demands of oral or written communication; The greatest fault of the work is that of incorporating so 1 as (5) About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
