

Marvel Guardians of the Galaxy: Castaways (Paperback)

Filesize: 8.74 MB

Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Joe Books Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book. Guardians of the Galaxy: Castaways is the thrilling new adventure featuring Marvel s swashbuckling heroes Rocket Raccoon, Groot, Drax the Destroyer, Gamora, and the ever-charming Star-Lord himself, Peter Quill. After a series of missions--some successful, others less so, and most nearly getting everyone killed--the Guardians of the Galaxy are at a breaking point when they crash-land on a strange planet. With no way to repair their ship, the frustrated Guardians go their separate ways, quickly discovering that the planet s inhabitants have never progressed past a medieval stage of development. Quill finds himself a favored member of a powerful duke s court (as well as a favorite of the duke s daughter), and life seems just fine under the circumstances . . . until the duchy comes under attack. When Quill reckons that their foe may be what s keeping the planet s civilization from advancing, he realizes that defeating it--with the Guardians help--may be their only hope for getting off of that world. . . If he can find his friends in time.
