BOOK DESCRIPTION: Uriel: The Inheritance All Uriel wanted was to be loved. . . When heroes start to tell lies, even to themselves: Uriel. She's spent thousands of years fighting against her destiny, fighting against her bereaved father, against El Himself. It's just one letter, but it's my letter, father. . . What happened in Cape Town is going to have consequences for everyone she knows and loves, even though they all make efforts to plug back into their routine at home. She can't help wondering when the bill for all she's done is finally going to come due. Has she thrown off the Mark? And who will the traitor be this time? With only one more book (Uriel: The Price) in the Airel Saga, this is the beginning of the epic conclusion to a series that I have enjoyed writing and I hope you have fallen in love with Airel and her world as much as I have. --Aaron
