Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

California s central coast was fertile ground for hot rodding, and all motor sports in general, during the 1940s and 1950s. Hot Rodding in Santa Barbara County takes the reader back in time with a collection of remarkable photographs from the earliest days of the hot rod movement. This book includes images of the first drag strips in the country, rough-and-tumble jalopy racing, early road-racing action, and lots of great hot rods and customs.
