

## Shades of Grey: Decorating with the Most Elegant of Neutrals (Hardback)

Filesize: 2.07 MB

### ***Reviews***

*This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).*

## SHADES OF GREY: DECORATING WITH THE MOST ELEGANT OF NEUTRALS (HARDBACK)

Ryland, Peters Small Ltd, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. Crammed with fascinating facts, expert advice, plenty of wit and humour and a wealth of essential information, Shades of Grey will guide you through the minefield that is choosing exactly the right shade of grey paint. There s no doubt about it, grey is the shade of the moment. Chic restaurants, shops and homes are covered in it. There s not an interior decorating programme that doesn t feature it. And forget 50 shades - in fact the human eye can detect more than 500. As can the average paint chart. Everyone wants to paint their houses grey at the moment, says Karen Haller, a colour expert who advises clients on branding and colour psychology. But it s actually one of the most difficult colours to get right. Get it wrong and a room will be cold and dark, possibly even energy-sapping. Get it right, however, and your home will look chic, sophisticated and modern. So how do we go about choosing the perfect hue? In Shades of Grey Kate Watson-Smyth will help you find exactly the right shade for your space. Full of expert advice and essential information and spiced with a generous dash of humour, this book will guide you through the minefield that is choosing the perfect shade of grey paint.
