Reviews

It is an awesome pdf i have possibly go through. It really is filled with wisdom and knowledge You will not really feel monotony at whenever you want of your time (that's what catalogues are for relating to in the event you ask me).
(**Horace Schroeder**)

THE PHOTOGRAPH

Penguin Books Ltd, United Kingdom, 2004. Paperback. Book Condition: New. 192 x 128 mm. Language: English . Brand New Book. This is a seductive and hugely suspenseful novel about what can happen when you look too closely into the past; The Photograph is the thirteenth novel by Booker Prize winning author Penelope Lively. Searching through a little-used cupboard at home, Glyn Peters chances upon a photograph he has never seen before. Taken in high summer, many years earlier, it shows his wife, Kath, holding hands with another man. Glyn's work as a historian should have inured him to unexpected findings and reversals, but he is ill-prepared for this radical shift in perception. His mind fills with questions. Who was the man? Who took the photograph? Where was it taken? When? Had Kath planned for him to find out all along? As Glyn begins to search for answers, he, and those around him, find the certainties of the past and present slip away, and the picture of the beautiful woman they all thought they knew distort. One of Britain's most talented and experienced writers. The closer you look the more mystery you see. (The Times). Penelope Lively is the author of many prize-winning novels and short-story collections for both adults and children. She has twice been shortlisted for the Booker Prize: once in 1977 for her first novel, The Road to Lichfield, and again in 1984 for According to Mark. She later won the 1987 Booker Prize for her highly acclaimed novel Moon Tiger. Her other books include Going Back; Judgement Day; Next to Nature, Art; Perfect Happiness; Passing On; City of the Mind; Cleopatra's Sister; Heat Wave; Beyond the Blue Mountains, a collection of short stories; Oleander, Jacaranda, a memoir of her childhood days in Egypt;...
