

The US-Turkish-NATO Middle East Connection: How the Truman Doctrine and Turkey s NATO Entry Contained the Soviets (Hardback)

Filesize: 5.28 MB

Reviews

Very useful to all of class of individuals. This really is for all those who statte there had not been a worthy of looking at. I am just very happy to let you know that here is the finest ebook i have got go through within my individual daily life and might be he finest ebook for actually.

(Delores Mitchell PhD)

THE US-TURKISH-NATO MIDDLE EAST CONNECTION: HOW THE TRUMAN DOCTRINE AND TURKEY S NATO ENTRY CONTAINED THE SOVIETS (HARDBACK)

Palgrave MacMillan, United Kingdom, 1990. Hardback. Condition: New. 1990 ed.. Language: English . Brand New Book ***** Print on Demand *****. This book describes the historical background of the Middle East and, in particular, Turkey, prior to the end of World War II. It takes up the various steps taken by the United States to combat Soviet moves after the war to take over this strategic area. It describes the inception of the Truman Doctrine to rearm and strengthen Greece and Turkey in the face of British withdrawal, the unsuccessful efforts made by the United States and Britain to establish a Middle East command or defense organisation, and the successful U.S. efforts to get Turkey into NATO, which blocked Soviet entry. Ambassador McGhee has chronicled the events which led to Turkey s accession to NATO with great clarity and in a most interesting and readable fashion. He throws a fascinating light on the relationship between the United States of America and Turkey and the personalities involved. This book not only deserves to be read, but it deserves study by all of those who are interested in Defence and Foreign Affairs. Lord Carrington.
