The Wildlife Garden Specialist (Paperback)

By -

IMM Lifestyle Books, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. For many, one of the joys of having outdoor space is the wildlife it attracts. This book provides guidance and information for those who wish to ensure that their garden is as wildlife-friendly as it can be. General information on wildlife gardens is supplied, along with various broad options suitable for town gardens, country gardens, and taking children and pets into account. The chapters are then divided into different types of wildlife, including pond life, birds, mammals and reptiles. Each chapter explains how a garden can be designed specifically to favour wildlife, establishing what is necessary for those particular species to flourish and providing the ideal environment for their development. Overall a comprehensive guide, with practical and informative layouts, for anyone wishing to attract more wildlife to their garden.
