

Captivated: J.M. Barrie, the Du Mauriers and the Dark Side of Neverland

By Piers Dudgeon

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Captivated: J.M. Barrie, the Du Mauriers and the Dark Side of Neverland, Piers Dudgeon, J. M. Barrie has long been a controversial figure; as D. H. Lawrence observed in 1921, 'Barrie has a fatal touch for those he loves. They die'. The five nervous breakdowns, two suicides, one attempted suicide and numerous deaths that are associated with him blacken the reputation of a man adored by generations of children. However, what is less well known is that Barrie's malign influence grew out of his infatuation with the du Maurier family, particularly with the hypnotist, George du Maurier, creator of Svengali; with George's daughter and grandsons (models for the Darlings in Peter Pan); and with his enigmatic granddaughter, Daphne du Maurier, author of Rebecca and Barrie's final victim, whose life and work can never again be considered without reference to 'Uncle Jim'.
