Paperback. Book Condition: New. Paperback. 152 pages. Considering medical travel but dont know where to startDid you know that Cartagena, Colombia is only a 2.5 hour flight from Miami, Florida, and only five hours from New York Did you know that several budget airlines offer flights directly to Cartagena with specials starting at only 39 dollarsAre you concerned about the caliber of medical care outside the USA Consider this: What do you really know about your doctor Is he just a nice genial person, a fellow golfer or crackjack surgeon Or has he been disciplned by the medical board for alcoholism, wrong site surgery, or avoidable surgical errors What really goes on behind the closed doors of the operating room These are questions that thousands of people cannot answer, and most do not even know what questions to ask. As an insider in the world of surgery, I not only answer these questions, but I tell you more about the doctors of Cartagena, Colombia then you know about your long-term doctor down the street. These answers are more important than ever, now that failing medical systems, here and abroad are at a point of eminent collapse. Surgical specialties are particularly hard hit, as older surgeons retire with few new physicians choosing to take on the overwhelming responsibilities in a increasingly litigious society for less and less compensation. Surgical tourism is not the answer for everyone but its certainly part of the equation and it might be solution for you. For about 20 of the cost of treatment in the United States, with no prolonged waiting, patients can receive state of the art, boutique surgical care in new and modern facilities. While much of this book is aimed at north Americans, this information is important to all english speaking people,...
