DANCING WITH DYNAMITE: SOCIAL MOVEMENTS AND STATES IN LATIN AMERICA

[DOWNLOAD](#)

AK Press. Paperback. Condition: New. 160 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. Grassroots social movements played a major role in electing new left-leaning governments throughout Latin America, but subsequent relations between the streets and the states remain uneasy. In *Dancing with Dynamite*, Benjamin Dangl explores the complex ways these movements have worked with, against, and independently of national governments. Recent years have seen the resurgence of worker cooperatives, anti-privatization movements, land occupations, and other strategies used by Latin Americans to confront economic crises. Using original research, lively prose, and extensive interviews with farmers, activists, and politicians, Dangl suggests how these tactics could be applied internationally to combat the exploitation of workers and natural resources. He looks at movements across the Americas, drawing parallels between factory takeovers in Argentina and Chicago and battles over water rights in Bolivia and Detroit. At the same time, he analyzes recurring problems faced by social movements, contextualizes them geopolitically, and points to practical examples for building a better world now. Benjamin Dangl has worked as a journalist throughout Latin America for the Guardian Unlimited, The Nation, and the NACLA Report on the Americas. He edits *TowardFreedom.com*, offering a progressive perspective on world events, and *UpsideDownWorld.org*, covering activism and politics in Latin America. Dangl is a recipient of two Project Censored Awards and teaches Latin American history and globalization at Burlington College in Vermont. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
