Wilson, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Lost in Venice is the second of the series The Adventures of Giulia and it talks about Giulia, who goes to Venice for Carnival to visit her cousin Isabella. Isabella is a new character and she will be with Giulia during all of her adventures in Venice. Giulia and Isabella are complete opposites, as you know Giulia is never afraid and she loves adventures, while Isabella is always a little insecure. Luckily Giulia s magical unicorn Sparkle will always be there to help her when Giulia s sense of adventures goes overboard. In Venice, Giulia will visit many great places like Rialto, Murano, the famous Peggy Guggenheim Collection and more. She will discover amazing things hidden in plain sight and get lost in the beautiful city. As always the book will give you a chance to learn things about culture and history and trust me, in Venice you can learn a lot! The book has been written by an 8 year old girl! The Adventures of Giulia / Le avventure di Giulia is a bilingual series with text in English and Italian. The books are written for English or Italian children as well as for students (or adults) who wants to improve and practice their second language.
