Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Musical Art and Study: Papers for Musicians The third of these Papers has appeared in the Yearbook of the College of Organists, but is now first presented to a wider circle of readers. The first Paper, originally read in London, and repeated at Croydon and Brighton, by desire of the Council of the South-Eastern section of the National Society of Professional Musicians, is published in compliance with many requests. The three Papers, although prepared at different times and for different audiences, deal to some extent with cognate subjects; and I have not thought it necessary to eliminate a few repetitions of similar thoughts.
