Can a fractured love be salvaged? Parting with Dominic has left me broken in a way I could never have imagined. We held elation in the palm of our hands, but one misunderstanding brought it crashing down around us. Now the hurt and sadness follows me like a shadow and makes choosing the right path to take impossible. But one moment with him and the pulsing heat is singing in my blood again; his touch lights a fire that my body refuses to ever forget. I'm hopelessly lost in him. Finding our way back to one another will take trust and a leap of faith - only then we will know whether we have a chance at forever. If you were consumed by the first two books in the series, PROMISES AFTER DARK will not disappoint. This is a pleasure we should all indulge in.
