Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).

Editorial Eleftheria, 2017. Encuadernación de tapa blanda. Condition: Nuevo. 484 pp. Vivimos en una época de fracasos institucionales masivos que se manifiestan en la destrucción de los fundamentos de nuestro bienestar social, económico, ecológico y espiritual. Afrontar estos retos requiere una nueva conciencia y una nueva capacidad de liderazgo colectivo. En este libro innovador, Otto Scharmer nos invita a ver el mundo de nuevas maneras y así descubrir un enfoque revolucionario para el liderazgo y el aprendizaje. Esta segunda edición presenta un nuevo prefacio en el que Scharmer identifica cinco corrientes transformadoras y describe casos de estudio del proceso U en todo el mundo. También incluye ocho dibujos en color de Kelvy Bird que capturan las aplicaciones del viaje de la U e ilustran los conceptos del libro, así como nuevos recursos para aplicar los principios y las prácticas de la U. El doctor Otto C. Scharmer es profesor sénior del Massachusetts Institute of Technology y presidente fundador de ELIAS (en inglés Líderes emergentes para la innovación entre sectores). También es profesor visitante del Centro de Innovación e Investigación sobre el Conocimiento de la Helsinki School of Economics, y presidente fundador del Presencing Institute.
