Brand New Book ***** Print on Demand *****.Excerpt from Statement on Behalf of Historical Truth Sir: The hearings before the Committee of Foreign Affairs on the Rainey resolution have brought forward a so called Story of Panama which has been printed as a congressional document and distributed. This story, outside of various imaginary and misleading facts enunciated by its author, is mainly based on the assertions of a plea written in 1907 in order to try without success to obtain, from a court of arbitration, a high fee of \$800,000 for services said to have been rendered to the New Panama Canal Company and which said company denied. This plea is a tissue of erroneous and misleading assertions. The definition of its character is sufficiently given by him who wrote it when he says in it that the remuneration he asks is in part for having been in position to influence a considerable number of public men in political life through the relations at the same time intimate and susceptible to be used to ad vantage in which his firm pretends to have been placed with men possessing influence and power.
