Proven Principles For Designing Your Future And Achieving Success Success is not a matter of luck or circumstance; it is a matter of principles. Those who succeed do so because they abide by specific principles that guide their decisions, their actions, and ultimately, their results. The results they achieve whether in their career, in their relationships, in their health, or in their finances are simply a reflection of having learned and applied those principles. Regardless of your circumstances, you can succeed if you apply the right principles. More importantly, you can succeed faster than you ever imagined. Success Happens Fast When You Apply The Right Principles In ten concise chapters, and without any of the motivational fluff that is found in other success books, Grow Up and Kick Ass reveals universal principles that will empower you to be more successful and create your perfect lifestyle. Here Is A Preview Of The Principles You Will Learn In This Book: How your past has shaped who you are, and how to become who you want to be The power of association, and why surrounding yourself with the right people is critical The importance of self-education and personal development How to pursue your passion and make it a lucrative career How to properly set goals, so you can convert your dreams into reality The importance of having mentors and modeling other successful people How to become financially independent so you can work because you want to and not because you have to How to adopt a mentality that is conducive to your success How to achieve balance in all areas of your life What the real secret to success is What Others Are...
