Georgetown University Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Statistics on the American family are sobering. Demonstrating that the family is both distinctive in its own right and deeply interwoven with other institutions, the authors examine the roles of education, work, leisure, consumption, legal regulation, public administration, and biology in shaping the ways we court and marry, bear and raise children, and make and...
