IGBO VOICES; HIDDEN WISDOM FROM THE ANCIENT LANGUAGE.: IGBO VOICES (PAPERBACK)

Uzoma Nwosu, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are looking for the Rosetta stone that unlocks the Igbo language; you can look no further. This book describes how Igbo words were derived from verb (or word) combinations. This type of word design is used in the Pharmaceutical Industry. For example, the Dihydropyridine class of Calcium Channel Blockers (CCBs) contain the suffix -dipine and are distinguished by their prefixes (amlodipine, nifedipine, felodipine, nimodipine, etc). There is little or no information about the etymology of Igbo words and the author only performs verb descriptions using his knowledge of ancient and current Igbo culture. For example, the word for leg ukwu contains the verb kwu which is stand-the leg is used in standing. The word for cup Iko contains the verb ko which is draw- the cup is used to draw water. Priest or UkoChukwu contains uko (planting) and Chukwu (God)- a Priest plants the seed of God in people. Nwute (prolonged agony), okwute (stone), Ite (Pot) and Ute (mat) contain the suffix -te which is prolongation . Otu (one, 1), Otu (group), and Ntu (nail) contain the suffix tu which is oneness . . fascinating book. -Rudolf Okonkwo, Iroko Productions/Sahara Reporters. . interesting book. - Prof. francoise Ugochukwu, Igbo Specialist. . good.must read for all Igbo families. - Chief Oscar Mokeme, Founder of the Museum of African culture, Portland, Maine. . Odogwu.it s ok. Chief Anthony Okeke, Osike of the People, Obi-Igbo New York.
