Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Meanderings Of A Young Mind is a collection of poetry, written by Matthew J. Williams during his childhood and adolescence. The poems in this collection highlight the range of hopes and fears a young person may experience while growing up, with topics including love, betrayal, rejection, anger, loneliness, faith - among other things. Many of the poems are based directly on things Matthew experienced growing up. As a result, some of these poems are of a light nature while others feature a more dark style. Other poems, while not based on actual events, show the turbulent feelings and emotions of youth that many readers will be able to relate to.
