NOTES ON RABBIT INTERNAL MEDICINE

Wiley-Blackwell. Paperback. Condition: New. 240 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. Rabbit medicine is a rapidly expanding area of veterinary practice and rabbits are now the third most popular mammalian pet in the UK. Vets are treating more sick rabbits than ever before, but many vets do not have the clinical experience required to give effective treatment. There is a wealth of information on rabbits available to vets, but much of this is from the laboratory animal field and often...

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Everett Stanton**

I just started looking over this ebook. I could possibly comprehended everything out of this published e publication. You are going to like the way the author compose this publication.
