Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

University of Washington Press. Paperback. Book Condition: New. Paperback. 424 pages. Dimensions: 8.8in. x 6.0in. x 1.1in. Winner of the Western History Associations 2009 Hal K. Rothman Award. Finalist in the Western Writers of America Spur Award for the Western Nonfiction Contemporary category (2008). The San Francisco Bay Area is one of the world's most beautiful cities. Despite a population of 7 million people, it is more greensward than asphalt jungle, more open space than hardscape. A vast quilt of countryside is tucked into the folds of the metropolis, stitched from fields, farms and woodlands, mines, creeks, and wetlands. In *The Country in the City*, Richard Walker tells the story of how the jigsaw geography of this greenbelt has been set into place. The Bay Area's civic landscape has been fought over acre by acre, an arduous process requiring popular mobilization, political will, and hard work. Its most cherished environments--Mount Tamalpais, Napa Valley, San Francisco Bay, Point Reyes, Mount Diablo, the Pacific coast--have engendered some of the fiercest environmental battles in the country and have made the region a leader in green ideas and organizations. This book tells how the Bay Area got its green grove: from the stirrings of conservation in the time of John Muir to origins of the recreational parks and coastal preserves in the early twentieth century, from the fight to stop bay fill and control suburban growth after the Second World War to securing conservation easements and stopping toxic pollution in our times. Here, modern environmentalism first became a mass political movement in the 1960s, with the sudden blooming of the Sierra Club and Save the Bay, and it remains a global center of environmentalism to this day. Green values have been a pillar of Bay Area life and politics for more than a century. It is...
