According to the revealed law of God, this means that of our earnings for the year we should return to the Lord one-tenth for the building up of Zion and the advancement of His kingdom in the earth. It is not wise to leave the payment of the year s tithing until the end of the year, for it will often be found impossible to pay a full tithing at that time. Payment should be made from time to time as means are forthcoming. This renders it much easier to comply with the law and enables us to do it in a spirit more acceptable to the Lord.
