The Treatment of Nature in German Literature from Gunther to the Appearance of Goethes Werther: A Dissertation (Classic Reprint) (Paperback)

By Max Batt

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Treatment of Nature in German Literature From Gunther to the Appearance of Goethes Werther: A Dissertation To understand more fully the change of attitude toward nature which came to pass in the eighteenth century, endeavor should be made to find out the chief characteristics that marked the treatment of nature in the poetry of the seventeenth century. For this purpose it is perhaps best to examine in detail the works of some representative poet and draw illustrations from others indicative of the same spirit. Martin Opitz (1597 - 1639) is, no doubt, the central figure of the period under discussion. His own as well as succeeding generations looked upon him as their fountain-head; hence his view of nature is probably typical of the seventeenth century. It may be noted at once that he refers not infrequently to idyllic life - he was, as is well known, influenced particularly by Horace - and that a strikingly large number of his similes and apostrophes appertain to the life in nature. Pure descriptions, on the other hand, are of rare occurrence. About...

Reviews

The ebook is easy to go through easier to recognize. We have studied and I am certain that I will plan to read through once again in the future. I am quickly getting a pleasure of studying a composed publication.

-- Prof. Adah Mertz Sr.

This pdf is very gripping and fascinating. We have read and that I am certain that I am going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
