Brand New Book ***** Print on Demand *****.Honored by the US Department of Education in 2008 as a guide to service learning, the AMERICA SERVES Student Journal helps students change the world, using their own ideas, interests and energy. And in changing the world, they change themselves, improving their skills of organization, communication and leadership, and developing a personal service experience they can highlight in their college applications. Is there a social issue your students are passionate about? With AMERICA SERVES they can educate their community about the issue and generate real resources for the people working on that issue. It s all mapped out in the AMERICA SERVES Student Journal, which provides weekly action plans, meeting agendas, ideas for funding and publicity, and templates for invitations, group materials, thank you s, tax ID letters, etc. that have been used successfully to raise over \$60,000 for causes like the Central Asia Institute (founded by author Greg Mortensen, Three Cups of Tea), United Movement to End Child Soldiering, Orphans of Rwanda (now Generation Rwanda), Polaris Project, and CIVIC (Campaign for Innocent Victims in Conflict). The AMERICA SERVES Student Journal is being used by high school and college students nationally. You can find out more at.
