Samuel French Inc. Paperback. Book Condition: new. BRAND NEW, Angry Young Women in Low-Rise Jeans with High-Class Issues, Matt Morillo, Comedy /6m, 7f (flexible casting if actors play multiple roles) / Simple Sets This outrageous new comedy is told in five outrageously funny parts and it's all about young women and the various issues they confront today. It's part sit-com, part stand-up comedy and part sketch-comedy. This collection of vignettes parades a series of foxy, witty and anxious women who bear the expectations of the world like an itchy muffler. These girls are coffee-driven, sensitive, wired, misunderstood and fuming with awkward issues. They are frustrated with the way of the world, the perceptions men have of them and their own reactions to it. How, for example, do you resolve contradictions like dressing as a hooker and still being a feminist? So they go head to head with such issues as Electra complexes, bikini waxes, low rider jeans, their oversexed mothers, thongs, brazen teenagers, men's sexual fantasies, side effects of birth control drugs, mean teenagers on the subway, sympathy sex and the artistic integrity of penises and vaginas in independent films. This play has great material for scene and monologue work as well as for performance.
