Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from *Managing the Introduction of New Process Technology: International Differences in a Multi-Plant Network* There is mounting evidence that, despite rapid advances in the technology of manufacturing equipment and systems, u.s. Firms are failing to implement and exploit these technologies effectively. Jaikumar for instance, argues that U. S. Managers are buying the hardware of flexible automation -but they are using it very poorly. Rather than narrowing the competitive trade gap with Japan, the technology of automation is widening it further (p. Thurow [39] blames America s poor productivity, quality, and trade performance squarely on inferior capabilities in introducing and using process technology (p.
