BANKING

Bottom of the Hill Publishing, United States, 2013. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is to supply the general reader with a simple statement of the principles and problems of banking. Since it is designed primarily for American readers, special attention has been given to conditions in this country. An effort has been made clearly to draw the line between commercial and investment banking and to indicate the problems peculiar to each. That it may assist the average person in understanding present-day banking problems and thus contribute towards the formation of a sound public opinion regarding them, is the author's hope and desire.
