Quail Publishers Dez 2014, 2014. Taschenbuch. Book Condition: Neu. 280x216x3 mm. This item is printed on demand - Print on Demand Neuware - Bible Phonics(TM): A-B-C Alphabet Workbook is an excellent resource for teachers and parents who are teaching young children the sounds and shapes of the 26 letters of the English alphabet. There are two reproducible activity pages for each letter. This helps children to learn the upper and lowercase forms of each letter and their sounds. The alliterative sentences build phonemic awareness and serve as a great reference for Bible stories, symbols and concepts. The workbook also has information on how to use multisensory activities such as songs, play, and art and craft projects to further support each letter taught. These engaging activities provide young children with the opportunities to become fluent, confident and independent readers, whilst promoting Christian education. The book supports the Common Core kindergarten language standards. 64 pp. Englisch.
