Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

In the college of law there are 219 students, and in the college of letters and sciences 264. The latter faculty is divided into five sections as follows: Letters and philosophy, engineering and architecture, pedagogy, sciences, and agriculture. The registration in these different sections is very unequal. In letters and philosophy and in science it is very small. But this does not imply that these departments are of little import in the university. As stated above, students in the vocational schools do a considerable part of their work here, although formally enrolled in their respective sections or in the faculties of law or medicine. The range of studies is much the same as in a college of arts and sciences in the United States, but the courses offered in any one department are not as varied. For example, in Latin there are but three courses, in philosophy but three, and in history but five. The faculty of letters and philosophy is composed of six regular professors and three assistant professors, the faculty of pure sciences of nine regular professors, five assistant professors, and nine assistants. In filling a vacant chair the University of Havana retains almost every feature of the oposición procedure which the Spanish American universities inherited from old Spain, but has been very generally discarded in the last decades. This is another indication of the conservative spirit that is noticeable in the organization of Havana. The method as now pursued is as follows:...
