Global Vision Publishing House, 2011. Hardcover. Book Condition: New. The book is an attempt to analyze and understand some of the important issues (i.e., social, political, economic, and cultural) in contemporary Africa. Africa, as the 'Continent of Future', has marked its importance in the international arena and in all international affairs. It is a beautiful continent with rich and diverse culture and having a good amount of natural and human resources. The interest and investment of the American, European and Asian companies, including India and China, makes the continent more important. Globalization has impacted Africa in numerous ways. However, there are many issues that need to be addressed and problems, which need to be solved. The book deals with contemporary issues related to Africa like Women's Movements, Gender Equality, Human Rights, Somalia Crisis, India-COMESA Relations, The Hydrocarbon Geopolitics, Trade and Investment, African Traditional Religion, Political Democracy and Ethnicity in African Conflicts. It attempts to identify the root cause and also provides some solutions for the issues concerned. Contents Foreword i Editorial iii-xii List of Tables xiii Map of Africa xvii 1.
