Many people experience opposition because they are lacking knowledge that is essential to their breakthrough. Many people either do not dream or cannot recall their dreams. This is more dangerous, it means your spiritual monitors are turned off. Dreams and Spiritual Warfare provides insight and understanding to an area in which many people experience defeat because of plots against their prosperity, health, and breakthroughs. God is revealing what is taking place in the spiritual realm to overcome setbacks, the spirit of retrogression, and poverty, and wisdom to obtain their victories. Many sleuth operations take place before the enemy knows the opposing army is about to strike. In this season learning how to fight from your God given position with an arsenal of spiritual weapons is essential. You shall reach your destiny by fire, in Jesus Name.
