This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Dimensions: 9.0in. x 6.0in. x 0.1in.Among the many fatalities attending the bloom of young desire, that of blindly taking to the confectionery line has not, perhaps, been sufficiently considered. How is the son of a British yeoman, who has been fed principally on salt pork and yeast dumplings, to know that there is satiety for the human stomach even in a paradise of glass jars full of sugared almonds and pink lozenges, and that the tedium of life can reach a pitch where plum-buns at discretion cease to offer the slightest excitement Or how, at the tender age when a confectioner seems to him a very prince whom all the world must envywho breakfasts on macaroons, dines on meringues, sups on twelfth-cake, and fills up the intermediate hours with sugar-candy or pepperminthow is he to foresee the day of sad wisdom, when he will discern that the confectioners calling is not socially influential, or favourable to a soaring ambition I have known a man who turned out to have a metaphysical genius, incautiously, in the period of youthful buoyancy, commence his career as a dancing-master; and you may imagine the use that was made of this initial mistake by opponents who felt themselves bound to warn the public against his doctrine of the Inconceivable. He could not give up his dancing-lessons, because he made his bread by them, and metaphysics would not have found him in so much as salt to his bread. This item ships from La Vergne,TN. Paperback.
