HarperCollins India, India, 2018. Hardback. Condition: New. Language: English . Brand New Book. What does the Biblical story of Nathan and David say about effective communication skills? How do you identify the Raja Bhoj, the Gangu Teli and the Shekchilli in your office? What is the corporate equivalent of an Ashwamedha yajna? Drawing from sources as diverse as the Mahabharata and the Bible, the Vikram-Betal stories, the Iliad and the Odyssey, Islamic tenets, the tales of rishis and kings, and fables from around the world, Devdutt Pattanaik, India's leading mythologist, provides a fascinating account of what leadership entails. How to choose the right leader, effectively communicate with a boss, maintain the right balance between discipline and leniency? In these and other workplace situations, Pattanaik shows what leaders of today can learn about the art of leadership from stories written thousands of years ago, things no management course can teach. Leader: 50 Insights from Mythology uses myths and legends to arrive at wisdom that is both time-worn and refreshingly new, on what makes a good leader.
