

Physics and Politics: Special Edition (Paperback)

By Walter Bagehot

On Demand Publishing, LLC-Create Space, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The world was changing at a blistering speed in Bagehot's day. New scientific ideas were reshaping the world, and every field of human inquiry was affected by this new interest in giving a full explanation for the history of everything in existence. In this work, first published in 1872, Bagehot applies scientific ideas, like survival of the fittest, to the development of nations and government. He further discusses the effect of scientific and technological advancements, like the invention of stronger and more deadly weapons, on politics. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned...
