Cinco Puntos Press, United States, 2014. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book. It s crazy! Fifteen-year-old Masi Burciaga s neighborhood is becoming more and more of a ghost town since the lard company moved away. Her school closed down. Her family s bakery and the other surviving businesses may soon follow. As a last resort, the neighborhood grown-ups enlist all the remaining able-bodied boys and girls to haul bricks to help build a giant pyramid in the park in hopes of luring visitors. Maybe their neighbors will come back too. But something s not right about the entrepreneur behind it all. Then there s the new boy who came to help, the one with the softest of lips. Claudia Guadalupe Martinez, author of the award-winning *The Smell of Old Lady Perfume*, has long been distressed about how the global economy is displacing workers and families. Claudia grew up in a tight family in Segundo Barrio in El Paso, Texas. She learned that letters form words from reading the Spanish subtitles of old westerns for her father. At age six, she already knew she wanted to create stories. Her father, who passed away when she was eleven, encouraged her to dream big and write many books. Claudia, her husband, and their daughter Penny live in Chicago, Illinois.
