It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Ark of Safety offers life-changing events and testimonies from children, teens, and young adults, who have come from broken homes, or have been in situations that made them feel insecure, shaking their world, like a snow globe, turned upside down. In a world where we live with the what-if monster, people who enter into the Ark of Safety have no fear because they have something no one can ever take away from them-the gift of eternal life. This is not a fairy-tale, but it does have a happy ending. In the Ark of Safety, Pamela presents a collection of testimonies from children and teens whom she has fostered or adopted. The book tells about the daily struggles they ve encountered, and how in the midst of life s chaos, they have found comfort in the Ark of Safety-the arms of Jesus. The book includes helpful Bible references and study questions. If you love to sit by the fire and read a heart-warming family story, this book is for you.
